The Premises:

Flat in mansion block midway between Queensway & Bayswater stations. Small room but comfortable and warm on a cold day. Contained a sofa as well as a bed, as an alternative venue for the action.

The Lady:

Photos are very accurate - no apparent Photoshopping. Tits I'm sure are fake (reviewers on other sites think they're real), but very well done. Speaks pretty good English, good enough for just slightly hesitant conversation.

The Story:

For Olivia's combination of looks, friendliness and enthusiasm, this was my best punt in ages. The most passionate DFK I've ever have from a WG. Olivia's performance, if not quite outstanding, was very good, and she inspired my own best performance in a long time. OWO with CIM, sex in the usual positions, and a good massage between rounds. Anal was advertised, but I didn't ask for it. She wouldn't allow fingers inside her and was a bit reluctant to accept reverse oral. She provided a large dildo which she allowed in her pussy but not her butt (though she did say that if I come to see her again, she'll accept a small butt plug). Definitely recommended.
