The Story:

she gave me a suck, the rode me c/girl style, then i gave her a massionry, i went fast deeper, she was holding tight like a roller coaster ride scratching n digging in her nails i felt it hot n burning second by second when i released, i got up she said oh my god your bleeding did i do this to you,i then looked in the mirror my chest cut open by her finger nails and my back was if i was whipped with a whiplash, she told staff what had happen to me.

she got alot of bolocks and told off. they gave me a first aid on the bed.i did'nt mind it she does it for a living.
