The Premises:

A very pretty old building on busy road. Felt very safe so close to the organs of justice.

The Lady:

Danielle is a mature woman with good features and enhanced breasts. She has piercings which I found unusual and interesting.

The Story:

I enjoyed the whole experience I came twice and she stimulated two rushing ejaculations once in here mouth and second over me. She provided a toy show which amused. The time spent in her bed hit many buttons of fun and experience. She has a very broad repertoire which I would love to wrestle with.
