A body to dream about. She has fantastic breasts, bum, shaven pussy and a face with real character and fun. Short blond hair. Look at the pictures they are real

The Story:

I had planned a sexy day so this visit was at the end and I had enjoyed two fucks earlier. I am not energetic and this young woman set about titillating and tantalising. She encouraged, joked, drove on and made me cum again. She played with her toys on my arse and drove me wild. Pixie by name and pixie by nature. I will return.
