The Premises:

The parlour is on a busy crossroads but the entrance is fairly discrete, the room was clean, well decorated, looked like a normal bedroom rather than some of the rooms in these establishments.

The Lady:

The receptionist said she was stunning and she was right. The photos on the website are realistic, mid/late twenties, 5'6 maybe a touch shorter, long straight dark hair, pretty face and an awesome glamour model body. Amazing enhanced boobs, slim and with a really nice arse, not too skinny but very firm.

The Story:

Tiffany didn't come across as much of a conversationalist but that hardly matters as this girls looks and body are amongst the best i've come across. Covered oral only, but she is very good at it and has a no rush policy to sucking which is just as well as i could have stayed all day. Tiffany lieing back in front of the mirror, legs spread, your cock in her mouth and fingers in her pussy, you don't get much better sights than that! The fucking was the high side of average, doggy with lots of eye contact in the mirror. Didn't do myself justice, not my fault, couldn't believe how fit she was! At that price and for that body, i'll be back. I'd recommend Tiffany for a no nonsense punt but with a real stunner.
