The Premises:

Sue Li's place, so described several times elsewhere (including by me). All very nice and welcoming, with no hassle in area or once inside.

The Lady:

Thai, early 20s. Slim, small, pert breasts, long black hair and incredibly attractive. A stunning package! Also very friendly and accomodating with a confidence and sense of humour. Unlike most oriental places where the girl changes every week, Amy is here every Tuesday.

The Story:

All the usual, though I noticed we missed out on oral for some reason that escapes me! Despite this, I went down on her for a bit and she appeared to like that very much. During sex she was very lithe, being able to writhe her body in ways I've never been able to match! A very satisfying experience.
