The Premises:

Fairly new apartment complex in Tovil, safe area. Apartment was very clean and bedroom had an en-suite.

The Lady:

Pretty lady from Russia, 5'7" slim size 10/12, 36D, wearing exactly as requested; red tartan skirt, white blouse, white stockings and black high heels, no lingerie. Not as attractive as her profile as I think the photos are a few years old but good none the less.

The Story:

Katy is full on sex. Lots of kissing, soon had her just in the skirt, stockings and heels rubbing against my naked body. Wrapped her wonderful tits around my expanding cock. Excellent oral without and ball licking then on with the condom and fucked Katy in doggy to first pop. Clean up then I requested a massage. Very nice and firm which led to delicate ball touching and rubbing then more oral until I exploded with the most sensational climax into her mouth. Katy went off to rinse and I had a shower. Left early as totally spent. Very enjoyable, highly recommended particularly for the oral.
