The Premises:

Recognised the description as that of a generic webpage relates to my FR 106912 from 11 Dec of a poor outing, but I though what the hell - I know where it is! Sure enough - Claudia - opened the door and I said - hello again - but no thanks. She then offered me " Marta" who in fact gave me another name...anyway...place OK - clean - showered and prepared.

The Lady:

Marta - no stunner - by no means a small lass - but pleasant enough Polska with very tidy entry points, enjoyed to the maximum. She went on to be a right dirty little minx who offered and provided excellent services to completion.

The Story:

Very nice to talk to. Normally a 2 pop man, value for money and all that, but to be honest the first pop was so good I didnt wanna go for seconds.

Made me feel relaxed - glad that I stayed. Cant say that about all these girls. Was on a tight schedule so bid my farewell after a shower. Marta off home till end of January I think.

Well done you I say.
