The Premises:

26 Wardour is new to me, but is one of the better-appointed places in Soho. The second-floor flat actually has ensuite! There is also a waiting area which some of the other places don't have. Two big plusses.

The Lady:

Sunita is a tallish young slim pretty Indian girl. She looks like a television actress that I know I have seen but can't quite place. Possibly from one of the soaps to which my significant other is addicted.

She speaks with an English regional accent and is intelligent and personable. She has several positive FR's already and is spoken of favourably on the Forum, which is how I got to hear of her.

The Story:

The services are subject to the usual Soho restrictions. So it was a case of massage, breast play, 69 and energetic doggy finish, all very enjoyable. Her oral was particularly exquisite.

Thereafter we lay, cuddled and chatted very congenially. Lovely girl. Will see again when the opportunity arises
