The Story:

This was my first nuru massage and I wasn't sure what to expect but after checking a few nuru providers I decided to go for Yoko. The thing I liked most apart from the very good massage was her enthusiasm. She was very warm and eager to please. Back to massage - it was quite different from a normal rug and tug experience; the air mattress, the gel and the slippery slides were all new to me. Also she allows touching during the massage and I know from my experience that many masseuses don't. She is definitely skilled in working with the nuru gel and her technique in my opinion is excellent and I'm not talking only about her massage skills but about her oral skills as well as the blow job that she gave me is now in my top 3.

All in all a very very nice and sensual experience.
