The Premises:

Discrete entrance on side street but buzzer was a bit dodgy and the maid had to open the door manually which meant I had to wait what seemed like eternity but was probably only 20 secs.

The Lady:

5ft9 Dark hair nice figure. Early 20ish I guess. Small tattoo on breast but nothing too bad. Quite attractive.

The Story:

Punt started off badly with having to wait a long time for her to turn up. She then told me that she was tired and that she was on KY today as she was "...a bit dry". Didn't get any better when she then told me she was coming down with something too! At this point, I was thinking that this was going to be a crap punt and a waste of my money.

Anyway, the massage was brief but who cares about that eh! Once her clothes were off, things suddenly improved. She sucked my balls and stuck her tongue down my ear (not at the same time!) Missionary, on top & doggy etc. etc. Finished off by hand as I can never come using a condom.
