The Premises:

A first floor flat, located on busy road close to Paddington station. Entrance was next to small cafe, so maybe a bit obvious, but mostly safe. Bedroom was rather small, enough space for a bed and the neighbours were rather loud, shouting, arguing.

The Lady:

Well, it is definitely Blackies photo on the agency website, just a pity it seems to be at least 5 years out of date ! No way is she 21, more likely to be 31. Not unattractive, just a few years too old, a bit too slim and evidence of a cesarean.

The Story:

I had asked the agency for a pleasant 'kinky' fun encounter. I was told that Blackie was 'open-minded', so I was looking forward to something adventurous.

I was initially disappointed with her appearance, but chose to stay. Blackie is a pleasant woman, chatty and real. Unfortunately sex with her wasn't the open-minded fun I was wanting. Yes it was fun, but far too predictable. My list of playtime requests (dom, toys, uniform etc) that the agency said Blackie would fulfill just didn't happen.

So she is a nice girl, no problems with her personality, but I won't be recommending Blackie, due to the fact her photos are so out of date, her age is more 31 than the 21 as stated on the website and the promise of her being 'open-minded' just wasn't true.
