The Premises:

Modern, clean, well kept flat on an upscale estate. Very easy to find. Lovely massage room, neat and clean with lovely smelling candles.

The Lady:

English, 34D (enhanced), size 10, age 29, 5'7" blond, very sexy eyes, lovely long legs, gorgeous looking.

The Story:

I initially spotted Lisa's profile on announcement board and noticed a punternet member had visited her and he confirmed by a fr that she was one of the best. So with that recommendation a quick call to Lisa and a booking was made.

She greeted me and took me through to the massage room where we sat and chatted for a bit. She also offered me a drink. Eventually it was time to undress and have a quick spruce up in the bathroom. She started by massaging me whilst I was lying face down with her hands moving towards my balls and all parts. A convenient wall mirror gave a good view of proceedings! On turning over my balls are treated to a superb oral before her tongue moved up the shaft and she was in full sucking mode.

Lisa provides no penetrative services but her expert oral skills are all a man could desire.

A top class punt and one I will wish to repeat.
