The Premises:

she came to my hotel

The Lady:

Very fit blonde girl, goes to gym every single day and has body to prove it. long wavy blonde hair, shaved pussy, body to die for.

The Story:

Had an excellent time as Ailsa is a trained masseuse and even carries her certificate to prove it. She has sensual hands and a cute arse and little tits. very enthusiastic and relaxing. thoughtfully brought some relaxing sensual music with her and lots of different body oils for the massage. excellent company and no clockwatching

(Mr Punternet - the warning re the phone number that I got when submitting the review. This girl is definitely not Kim dominatrix)
