The Story:

Adriana wasted no time in stripping off her underwear and this girl looks fantastic naked. She commented on how quickly and how hard my cock had become and I can certainly vouch for that! Long session of OWO and then on with the condom whereafter she mounted me and rode me on top until I shot my first load.

Long massage with oil and boy is she good with her hands too - then round two got under way and we went through several positions: first, reverse cow-girl where I got a lovely sexy view of my cock sliding in and out of her pussy, then onto doggy which built into a great rhythm with her gasping "fuck me, fuck me" in her sexy Spanish accent. She asked to turn over and we went at in missionary for a while first with her legs clamped around my arse and then with her legs over my shoulders which allowed me to penetrate her really deeply. After a good half an hour of screwing in multiple positions, I pulled out exhausted but hadn't yet cum for a second time. I didn't have to worry because Adriana then applied herself to my cock with her lips, breasts and hands, and plenty of oil, for another fifteen minutes or so until my cum exploded from deep in my balls over her fantastic oily tits. Fantastic.

If that wasn't enough - she insisted on giving me a second lengthy massage to wind down.

Quality girl who I hope stays around for some time.
