The Premises:

Nicky's place is close to Barnet the Spires is about a ten minute walk away. It is in a row of shops on a busy road, but on the edge of the controlled parking areas.

Inside the bedsit - the room was large and clean, tidy and with clean bedding! The room was more than adequate though the bathroom is shared.

The Lady:

Nicky is around 19/20 and pretty in a "Girl Next Door" type of way. She has lovely full breasts which are sensitive and her skin was soooo smooth. She has a personality to match, and I felt that we got on well together.

The Story:

Was greeted at the door in a pencil skirt and blouse and was shown up the stairs into her room. After the financial side of life, was offered a 'Break the Ice' massage where we chatted for a while. As she asked me to turn over, she leant in for the kiss.

What happened next was an hour of mutual fun, and I am sure she enjoyed it as much as I did. Very much a GFE rather than a PSE though i suspect for the right client, she could be tempted into more kinky games. Se mentioned she was getting a strap on and some other toys when she could.
