### The Story:

This has been my 4th punt and by far my best. I can see why Carla has got so many reviews as she was amazing. She clearly loves her job and with the paperwork done we proceeded. We started with some kissing and undressing each other before she led me to the bed. I'm not going to tell you everything that happended but once we finished Carla gave me a massage. What impressed me most was there was no rush to get me out and we chatted at length before I left with a huge smile on my face
