The Premises:

Flat in Cobham not far from the junction with the A3 but a long way from the station. Parking on site. Safe area. Flat is on ground floor with secure entry. Was admitted and shown straight to the room - just a bed and bedside cabinet. So clothes on the floor - but it was warm!

The Lady:

Debbie is from the Czech Republic, about 5' 6" with black hair and large breasts, a BBW.

The Story:

Agreed ?70.00 for half hour(?90.00 per hour) which includes everything except 'A' which she does not do. Paid her and when she returned to the room I undressed and started kissing and fondling her tits. Onto the bed for more of same then went down on her for a while which she seemed to enjoy. Then my turn for oral without which was nice then on with the cover for a while in mish.

Asked to come in her mouth so off with the condom and she sucked me till I came, didn't swallow but I didn't mind. Cleaned up and had a little chat before I left.

She shares the flat with a friend (offers two girl service) who I may return to see in a few weeks.

She's a freindly girl and likes to please, speaks good English too which helps. The flat is pretty basic but I thought it reasonable VFM.
