The Premises:

Suelis place is very clean and fresh compared to many establishments in the area. Entrance on the main road but felt ok as it was dark at this time.

The Lady:

Amy is an attractive Thai girl, probably mid twenties. Slim with dark skin and long black hair. Not much in the boob department but overall a sexy looking girl.

The Story:

Having experienced sessions with Dede and Stephanie I had very high expectations of Amy. However, whilst being a pleasant friendly girl her performance is very, very average and I feel this isn't the right job for her. She felt distant and kept her eyes closed during sex. Sorry but I think Sueli can do better than this.
