The Premises:

A small but clean and well-appointed apartment very close to the Tube Station. Had a slight panic when the buzzer to the communal door did not work and was standing on a busy road for what seemed like ages (probably only 20 seconds!). She says she is moving on soon.

The Lady:

Absolutely fantastic body. Definatly the lady in the pictures.

The Story:

Lovely woman. Unfortunately I did not perform as hoped. This being my first ever punt the nerves got the better of me and I never "rose to the occassion" as I would have hoped. This is no slight whatsoever on her keen, expert and wholly pleasant administrations. Lots of kissing, licking and sucking in all the right places. She was fantastic. I was not up to scratch. I hope to have a rematch in the not too disant future.
