The Premises:

Nice flat in a large block close to the tube station. Street parking is available after 3 PM.

The Lady:

Petite blonde eastern lady with with striking blue eyes. Has a warm welcoming smile and is very friendly. She was wearing a short sexy dress.

The Story:

On entering her flat I was led into a very nice bedroom with large double bed. After the financial exchange, she left briefly and returned promptly. She then removed her dress & everything else quickly and we embraced and proceeded into a bout of passionate DFK. She then went down on me & gave me a fantastic oral with lots of eye contact, licking & biting my balls & penis. She offers covered sex in all positions including RO. I came 3 times within the time I was with her ably assisted by her oral skills & hand techniques in between sex in Mish, doggie & cowgirl. She was the best punt I have had for a long time. I will be a regular from now on, since it is real value for money. I highly recommend her. Treat her well guys, she is a real gem.
