The Story:

This is my second meeting with Rebecca and it was just as good as our first meeting.

I arrived early but this wasn't a problem as Rebecca was already ready for me. She opened the door wearing very sexy pick lingerie. I was shown to the bedroom and offered a shower which I accepted. There was men's shower gel and deodorant available which I thought was a nice touch. When out of the shower I was given a massage to relax me then on to some kissing. Rebecca really loves a good snog!

After taking off the lingerie I started to explore her body, kissing her nipples and putting my fingers inside of her, she gets wet very quickly! Rebecca then went on to give me a blow job. She is very good at this so I quickly shot my load into her mouth and she swallowed every last drop.

After some chatting and another massage we went for round two. Rebecca loves being fucked hard so we went for doggy style, I must say I love shagging that tight pussy!

At the end of the hour I was offered another shower which I declined and left a very happy man!
