The Story:

This was a big disappointment to me. I have seen Natasha's photos on both the Northern Belles website and on Blonde Escorts and she looks stunning in all of them. I would suggest that there are 3 options here, 1. They were taken a long long time ago, 2. They have been photo shopped/airbrushed, 3. They arent actually her.

Her description on the Northern Belles website says she is a dress size 10 but I would say at least a size 14!

Now don't get me wrong she's a nice enough person but it's annoying when descriptions are so inaccurate because if they had been honest I would never have booked her and saved my cash.

As I said she is a pleasant and friendly lady but there wasn't much spark or enthusiasm in what she did. There was a kind of kissing but it was nothing more than very tiny pecks and the owo was wierdly exactly the same.

I'm sure she will be just what some like but really not for me and just wanted to let everyone know how unaccurate her description is.
