Details of Service Provider:

The Premises:

Well known walkup, one of the better ones.

The Lady:

Young superslim Roumanian girl, medium height, dark hair (now), tanned and pretty. Cannot emphasise too much how slender she is, and for many men she would not have enough meat on the bone. That said she is giving up the fags, and that may add a stone or two, but even then she would not be fat.

Her English has improved in the three years since I last met her. That has given her confidence that she lacked back then, and she has blossomed into a lovely person to be with.

The Story:

Soho rules apply: 69, (her oral superb), furious doggy and finish by hand. Excellent service.

Thereafter we lay, cuddled, stroke and chatted. Left feeling great and will see her again.

She could be a star indie or agency girl, but perhaps she likes Soho because she can earn without having to provide the wider service range expected elsewhere. The trade-off is having to deal with the cheap production line quickies that most Soho punters want. Soho has quite a few stars like Alena and I've often wondered why they choose to work there.
