### The Premises:

On one of my rare visits to Leicester so opted to visit the X-lounge as I know its one of the better places in Leicester. Clean welcoming and discreet. Parking on meter.

### The Lady:

Tall leggy blonde, not my usual choice but as it was one of my flying visits didn't really mind who I saw.

### The Story:

Lovely lady bit shy at first but after everything sorted opened up and when i say open I mean open, those lovely long legs spread wide to tempt me in. After a few minutes of reverse oral I was more than ready...my downfall the sight of a shaven pussy I got to get right in straight the way. All over in minutes but thats me, however always get a what i pay for in this little place, and walk away satisfied.
