The Story:

I have been to this place many times, but have spent my last 8 visits seeing Joanna, she has taken a holiday now, but will be back next month, hence my hour was spent with someone else.

I called the reception who told me that Natasha and Jessi was free, i paid for the room with the bath/jacuzzi and waited to see the girls. After seeing the girls i opted for Natasha, she was taller and more bustier, which made it an easy choice for me.

Natasha entered the room again and we discussed options, i went for the full service option, which was ?80, it was definitely worth every penny. Although it was OW, i couldn't complain, her skills were one of the best that i've ever experienced. It seemed like Natasha spent half an hour expertly using her oral skills on my manhood, bring me to the point and then slowing down.

Then finally onto the main course, she felt so tight and i had to think of other things to stop myself from exploding so soon into her moist hot hole. Natasha slowly built up a rythm and it was a gorgeous sight seeing her beautiful face and even better 36dd. Natasha was in full control and i was soon grunting out loud after finally erutping inside her. She was very gentle in cleaning me up afterwards.

Then both into the bath for another enjoyable time.

I'm not sure why Natasha has had a negative report before, but to me i enjoyed every minute with her. I'll definitely return to see Natasha soon, and when Joanna returns, i don't know who to opt for.

I'll have to save up and have both!!! wow, i can't wait
