### The Premises:

2 minutes walk from the tube station. nothing much to look at from the exterior, but the room itself was clean and tidy & perfectly satisfactory for its purpose. I felt very safe. Parking would, I think, be difficult; I came by public transport.

### The Lady:

Very attractive Brazilian Lady; pictures as per her website About 5 feet 6 inches with lovely blonde hair. Very nice figure with soft natural boobs.

### The Story:

Daniela met me at the station & took me up to her flat. At all times she was very pleasant and went out of her way to make me feel welcome. Handed over the cash & straight away the action started (none of the usual business of handing over the cash & waiting 5 minutes for the lady to re-appear!). I was offered showering facilities but, as I had showered before I left home, I declined and merely washed my hands. Before the meeting I had e-mailed her about the things I like, i.e. french kissing, OWO, RO, 69 & protected sex. All of these were provided by Daniela with very good grace. In particular her french kissing (most important to me) and OWO were some of the best I have ever had. This lady has a splendid attitude and obviously wants her clients to go away happy. I am an old guy but she treated me as if I was young & good looking (wish I was!!). Unfortunately I wasn't up to Daniela's standards & found it difficult to finish things off satisfactorily.(my fault not hers). Daniela persisted & I had to remind her that I was going over my time. She said "not to worry" and I must have gone over my time by at least 15 minutes. She certainly is no "clock watcher" (there wasn't a clock in the room). Apart from everything else Daniela is a lovely friendly person. Before my meeting with her I was a bit concerned by the fact that she had no P.N. reports; I needn't have worried - she was superb. At ?100 an hour in London she must be one of the best VFM escorts around. One thing though; she is a very lovely person & deserves to be treated with respect. Do that then. like me, you will have a great time. Would I see her again? What do you think!! Thank you Daniela, you are a real star.
