The Premises:

Fantastic posh flat, very clean

The Lady:

Cute blonde with a stunning smile that reminds me of the actress Natalie Portman. Great soft natural boobs and mainly very friendly and sweet natured to put anyone at total ease

The Story:

This was a fantastic encounter. Valentina is one of the best GFEs I have had. She kisses like your girlfriend would after she has not seen you for 6 months, was very passionate. She constantly wanted to please me throughout the encounter.

After an initial bout of DFK she went down on me and performed owo with equal vigour. Couldnt resist tasting her pussy so turned her around for some 69 where she rubbed her crotch to and fro on my tounge. Next she got on top of me in cowgirl all the while we passionately kissed. This was followed by mish, doggy and spoons untill I was totally knackered. A handjob to finish as she shoved her breasts in my face and asked me to suck on her nipples.

A great girl with a great attitude who will make a lot of men happy at HOD. Will certainly see her again.

PS: Just googled long sighted which is a condition where near objects are fuzzy and far objects are in focus. Short sighted is the opposite. So I was right!
