The Premises:

One of the nicest places in Soho, i've been there before a few years ago.

The Lady:

Friendly and sexy lady, model type body, great arse, long legs, perky tits.

The Story:

There is nothing like Soho to relieve the pressure, just walk up, hand over a bit of money and enjoy a quick shag with some young lady before to go back to work, in one hour lunch break one can have the chance to sneak out and have some fun coming back to the office with a big grin on the face. Eva was quite happy to sin with me, i've sucked her perky nipples for a bit then she proceeded to give me a nice covered blow job, when I was about to cum, she went on her back spreading her legs wide and I shagged her good and deep for a few minutes until I've reached my climax, she helped me to get dress gave me a nice kiss on the cheek and there i was heading back to the office feeling a lot more relaxed and with a big grin on my ugly face.
