as per picture on website - wow.

The Story:

Not exactly sure of date but I remember she was working on Tuesday as opposed to usual Wednesday.

This was full GFE - much kissing and fondling before lots of OWO and attention to jonny. we had sex in all positions, nothing was too much effort for her. She is quite intelligent and we had good chats.

I'm really suprised that there is only 2 reports on this wonderful lady up to now.
