The Premises:

Entrance is on a high street which may be an issue for some. My booking was in the evening so shops were closed and nobody was around. Area is very safe. The flat itself is clean and well decorated.

The Lady:

Photos are representative. Website says 27 years old. I would say slightly older but no complaints. Vanessa has a nicely toned body. Her breasts are enhanced but well executed.

The Story:

Vanessa speaks fluent English and has lived here for quite a few years so conversation is not a problem. She really enjoys kissing and basically kept at it for the whole booking. She has a fantastic body which she really uses to please you. Cowgirl was a particular delight.
