The Premises:

she lives in one room up some stairs in an alleyway behind some shops

The Lady:

Hungarian, mid 20s, 5'5", brunette, size 8-10, tattoo on arm, tongue stud. If she smiled she could look pretty.

The Story:

Stroppy, miserable, poor eye contact. Her English is good and she did start to get a little bit friendlier after 45 minutes. She may have been good in the past but her attitude is now in the "all men are shit" stage. She doesn't french kiss because of her tongue stud(!) Wouldn't do cowgirl. Did OWO, reverse O, 69, mish.
