I saw a dark haired late 30s - early 40s lady. Fake boobs Im sure

The Story:

Strange experience, probably my last visit to TJs.

Booked Porscha blindly over phone, only other option was Danyel, the resident TV. Not my thing really. Other ladies busy.

Seen into room, waited several minutes for Porscha. Greeted in a black lingerie number that came off quickly, poor lighting genuinely stopped me seeing her face. Brief massage, turned me over and rubbered me up and sucked me. Was very good to be honest but she wanted to move on very quickly to sex..in doggy, her choice. Got a about another minutes worth of sucking before getting behind her and fucking for a very short time (my first WG of 2012) before I came. There was no kissing, no OWO (which apparently is included in the price) and basically a very clinical & rushed service.

Even more off putting was noisy staff discussing other clients and a rather loud Asian gent having a cuppa in the reception area when I left.

Seen 7 girls here now, only two were of any merit, not bothering again.
