I Dont think i need to tell you about this place as we have been told before this place is nice and clean

The Lady:

The lovely lady is a Little Lady with tiny little breast's and dressed to impress..

The Story:

Was feeling a little Horny after a hard day at work so i went to see who was availble at Blueice as i havent been let down with the ladys of choice at this place..

I looked at all the lady available and was recommended this lovely lady she is not the type of lady i go for as i'm a Breast man..

But i was not let down as SUKI was very good at all lines of the service i wont go into to much detail but a GREAT time was had and i left very happy and satified..
