The Lady:

If you want a slim but not too skinny drop dead gorgeous non natural blonde then Chelsea is the girl for you. The pics on the website are close but nowhere near as good as she is in the flesh. She's 5 foot 9 in bare feet with an eye popping perfect figure that is slim but curvy in all the right places. She's an ex lap dancer so naturally she has a superb set of pins that lead up to an arse that you could just stare at for hours and would make Kylie jealous. She also possesses a fine pair of all natural 36d boobs that are gorgeous to look at, touch & kiss. Last bit is a lovely elfin like face that is always smiling & is so pretty to look at that you wonder why a bloke hasn't snapped her up already. In short 10 out of 10 on the looks front

The Story:

I won't go into gruesome details but suffice it to say that she is eager and enthusiastic in all areas and very good at what she does. I don't do kinky or pain or anything extreme like hard or water sports, I am a straight forward bj loving, normal sex & oral giving kind of guy, and she was everything I could wish for in those departments. Add to that a happy & bubbly personality and I would describe this as the ideal punt. Treat her well lads she is a diamond (as they all are at Bella)
