### The Premises:

This is a nicely located parlour with discrete parking to the rear, the inside is well presented compared to many. The maid is as always very welcoming and put the kettle on for me as soon as I arrived :-)

### The Lady:

Harmani is a slim, petite, young lady. She has a slightly sultry look, with pale skin set off by dark ringlet style hair. The whole package is very attractive and I couldn't wait to get some of her clothes off and touch that fabulous looking body.

### The Story:

We started with an oil based massage that Hamarni delivers proficiently with a good firm touch. On then with the condom for a very nice sucking of my cock, Hamarni looks like a young Cleopatra with those dark ringlets hanging down over her face, wow, what a picture. OWO was offered but I'd saved myself for reverse oral. This was next and I spent a good long time soaking up the perfumes and nectars of a very neat pussy. It was good then to insert my cock into that tiny hole, first in missionary then in doggy positions until the deed was done.

A first class experience and I would highly recommend this young lady :-)
