The Premises:

Still feeling randy after seeing Maria at her basement flat in Paddington. Not too far away from main station. Place is very clean and tidy. Lovely working shower with Molton Brown Shower gell.

The Lady:

Maria appeared at the door wearing only a pvc short skirt and high heels. Her pictures do not do her justice and those breasts xxx

You just know when your'e onto a winner !

The Story:

As soon as I was in her room Maria began with the kisses and cuddles asking if I liked her outfit?? Was soon offered a shower and Maria assisted in the cleaning process.

Then Maria stripped off completely to show a nice figure and have I mentioned those breasts?

She gave me an unbelievable good session with superb blow job. I remember all that we got up too and will be back again soon.

During the whole session I did not feel rushed even though it takes me a bit of time to build up to a climax and she was responsive and encouraging.

Had a shower and dressed during which Maria stayed and chatted.
