### The Premises:

Situated in a side street near to bus route and is easy to find. Up a flight of stairs where you ring bell to be greeted by lady asking which service you require and passing money through window slot. Once in a very comfortable surroundings.

### The Lady:

Saw two ladies Maya early twenties nice figure probably size 10 and very friendly , other Natasha late twenties size 8 very fit and more experienced. Both had enhanced boobs and very sexy.

### The Story:

They made me feel welcome, lay on front for customary massage all over with oils very relaxing, then turned over where they asked me what extra service i required which was full sex. After working me up it wasn't difficult to get a horny both girls pushing their bodies all over me. Natasha then sat back facing me and Maya put her body towards my head where i licked her pussy while Natasha rode me then they swapped around and i finished off giving doggy to Maya with Natashas body touching me wildly. A jacuzzi followed with both girls washing me all over wow amazing it was ecstasy. Will do it again with same girls they give you an amazing time but next time one and a half hours.
