### The Premises:

A new one bedroomed establishment decently funished and clean, in the lounge they have one bed set up and a second in the attic room, two ladies work per day on a rota system, and access is via the rear of the property above a shop.

### The Lady:

Kate and Chris were working this day and i plumped for Kate, Kate is ex of lizzy's and works with 3 other ex-lizzy's staff on a rota basis, though older than i usually go for Kate has the knowledge of just what it takes to please her gentleman callers, and hold nothing back.

### The Story:

Unlike most places Kate started with a standing kiss and cuddle while we explored each others bodies, then moved to the bed where she went down on me and near on blew the top of my head off with her excellent oral technique, the main event lasted less than i would have liked, and afterwards i went down on her. Much to my surprise Kate started writhing round the bed and uttered some serious foul language resulting in her pushing me away as she'd become too sensitive from her orgasms, the session ended in a final kiss and cuddle on the bed, and a promise to go see her again
