The Premises:

Was modern, clean and tidy. Had a bit of difficulty finding the place but that was probably my own doing rather than the directons given

The Lady:

Helen has a cracking body and an awesome set of natural boobs. Not sure how old the pic on the website is as she's changed a little since then.

The Story:

Once we'd exchanged money and I asked a couple of questions we started with plenty of DFK before undressing. Once underdressed the kissing continued before we went into a 69 which she seemed to love. My confidence was sky high when she came so we went straight into sex. This was highly enjoyable for both parties.

After we'd finished we cuddled and chatted and there seemed to be no rush to leave. What I particularly enjoyed was the fact that she let me drive the session by asking me what I wanted to do, favourite position etc.
