The Premises:

A quiet discreet flat not far from the centre of Preston. Perfectly safe and secure. Good parking.

The Lady:

She describes herself as a "sexy English Rose", and the Advertising Standards Authority would have no complaints about that. She is 5ft 6ins of slim, size 10 soft skinned beauty. Blonde hair to just below her shoulders and a warm smile. Natural boobs which are just the right size and shape.

The Story:

After getting the business side out of the way Amber offered me a drink which I accepted. We then started to kiss and undress each other. Eventually we were on the bed and I found her warm and wet just as I like it.

No details, as Amber prefers to leave that to peoples imagination but believe me we both had a ball.

I will certainly return.
