The Premises:

Its been a while since I'd been over to Annabellas, and these premises were now different. Still central MK, easy to find, totally discreet, nice decor.

The Lady:

Very tall, slim, extremely pretty girl with beautiful eyes. The sort that walks into a nightclub and turns heads. I would love to see her dolled up in a short, tight dress with killer heels on a night out!

The Story:

This was the first part of a double punt, as I'd also booked Sally for another hour later that afternoon. In the past I might have tried a half-hour booking for round one, but I'd caught a glimpse of Rebecca before and thought she was worth booking for longer.

After a shower and sorting out the paperwork, she came in and offered a massage. I said maybe afterwards, expecting to cum quickly, preferring a kiss and cuddle to start. I liked everything about her instantly and decided to take my time.

Rebecca may have an innocent look about her, but the naughty glint in her eyes tells another story. She must have given me OWO for about half an hour, bringing me right to the edge then teasing me by slowing down, all the while giving great eye contact. Perfect! The memory of this gorgeous hottie attached to my cock is just awesome.

Eventually, knowing we only had 15 mins left, it was time to fuck her. First she rode me, then my favourite, on her back with those fantastic long legs up around my neck. When you're shagging a girl with legs like that, it would be a crime not to!

In addition to the great sex, I really enjoyed meeting Rebecca. She's very chatty, likeable and definitely a girl I intend to see again.
