The Story:

Well first of a big thanks to Elite team for arranging this meeting, at pretty short notice too. Michelle opened the door and immediately sent my cock North. She was wearing a figure hugging woollen dress with a slinky belt and heels that accentuated her magnificent curves in all the very best places.

She has great slim legs with a wonderful booty and lovely big boobs too. She is also a flirtatious and fun loving girl. We giggled and smooched immediately. She told me she loves foreplay and her eyes told me she could get down and dirty with ease.

We repaired to the bedroom pretty quickly and got to work. My oral performance was reciprocated beautifully and so we got down to fucking. Michelle told me she loves dick and it showed. Soon enough we got a good sweat on between us and she ended up making me gush profusely, delivering my most satisfying orgasm for some time. The thing is not only does she have a body built for sin, she makes it fairly clear she really wants you to enjoy your trespassing too.

Michelle is a great sexual companion ? and highly recommended.
