The Premises:

This is a difficult to get to location between Plumstead and Plumstead Common. It is a first floor council flat, a big jumbled inside, but clean.

The Lady:

Gina is a young dark haired Hungarian girl, slim with 34B breasts and a wonderful, peachy little bum.

The Story:

This was an ok service, but I got the impression Gina was inexperienced. She is friendly, however, and I tend to go for shorter time punts these days. Her breasts are a nice size and natural. I took my time sucking and licking her nipples. A is on the menu, but I was considered to be too big for her. Even sex from behind was difficult so I had missionary sex with her and I took it very slowly, gradually penetrating more deeply. Upon my request, off came the condom, Gina laid on her front and I fondled her peachy bum whilst bringing myself to orgasm and coming over it.

I doubt I would visit again because of the location.
