### The Premises:

Parlour, front entrance exposed but took the back stairs for discretion. Comfortable waiting area, lots of sofa and lots of the girls milling around.

### The Lady:

Lisa is a petite blonde in her thirties, lovely slender legs, tiny waist and very big enhanced breasts. Lisa was wearing a leather skirt with stockings and basque which her ample cleavage was popping out of.

### The Story:

Chatted with Lisa in the reception area before she took me to the room and disappeared for a minute. When she returned she was straight into it and leant over the massage bench pushing her arse into my now hard cock, she lifted her skirt to expose her arse which she then invited me to finger which she seemed to enjoy. I enquired if anal was extra which it was but unfortunately I hadn't taken enough

cash, something I now regret. From here I can only say I can't believe how much we managed to do in 30 minutes. We started with lots of DFK and I then she turned for more grinding and fingering of her arse, she moved on to all fours and I was grabbing those massive tits from behind whilst looking in the mirror. She stayed in that position whilst I made my way in front of her and on with the rubber for some deep throat, she took it all with lots of gagging and ball licking. We then fucked in numerous positions with lots of deep throat in between. Lisa likes to be fucked deep and hard and she even came when doing some very intense mish over the bench. Lots of dirty talk all the way through. I asked if I could cum over her, she obliged and offered her arsehole whilst being slapped, I opted for those mammoth tits, squeezing my cock in between them with Lisa laid over the bench until I came all over them. Lisa really is pure filth and loves sex, she is the ultimate milf.
