The Premises:

I met Linzi in a very clean hotel room in a lovely safe location.

The Lady:

Linzi is a lithe nubile black girl. She reaches 6'2" in her fantastic heels and has a wonderful friendly smile. Her brown hair is full and long. She has sexy and graceful slim legs.

The Story:

I met Linzi on 20th January. I had dreamed of dating her for a long while now and Wow what a sensation she is! I asked her to wear schoolgirl clothes and she treated me to sexy St Trinians! I must say she by far surpassed my wildest expectations. We shared a nice bottle of Rose? called ?Fat B.stard? that caused a laugh or two! Linzi allowed me full access to her sweet, nubile and sexy body and we made love to my heart?s content. Her smile and laughter is out of this world and made me so happy. Her full young lips and long tongue held much promise during a passionate DFK (she is so tall ? with those long heels ? matched my 6?2?). My oral expectation was fulfilled more than a few times by the most exciting and deep throated OWO blow job. The sight of her full lips moving down my cock was beyond hypnotic. She did it for so long ? I have never seen so much juice and spit around my cock and balls. She certainly knows how to do it?. When we carried out the dirtiest 69 she carried on to suck me off long after I had finished her off. Linzi has the tightest and prettiest arse hole and was more than happy to take my finger in it while I sucked her clit and finger fucked her beautifully formed fanny. While I was doing this her entire being was throbbing and sucking me in. We enjoyed missionary and doggie in a variety of positions. While she enjoyed doggie she seemed to enjoy me laying on and massaging her pubis the most. I found her moans and facial expressions of ecstasy a great turn on. This beautiful, lithe black girl knows how to turn on and satisfy her man alright, and for one so young.

Thanks Lexi, you are a lovely girl ? see you again later. xxx Alan256
