The Premises:

Been to Soft Touch a few times now very impressed with the place clean and safe excellent showers and helpful receptionist.

The Lady:

Petite blonde in her early 30's very nice enhanced boobs lovely figure and very chatty and friendly.

The Story:

Started with a massage which was very nice then Lisa's hands started wandering to more intimate area's which is always good. She then asked if I wanted to massage her (seemed rude not to) then back on the bed for a happy ending to finish.

One of the best massage and hr experiences I've had anywhere very impressed and will return.
