The Premises:

Very well presented town house approximately 15 minutes walk from Fulham Broadway tube station, modern with a homely feel. Bedroom downstairs with a modern bathroom.

The Lady:

Very beautiful. I would say early 30's, short bobbed blonde hair, a perfect size 10 slender and toned figure complimented with a wonderful bust DD or more.

The Story:

Jamie met me at the door in a wonderful figure hugging black dress with a see-through lace front displaying a fine cleavage, stockings and heels as requested. She had a naughty glint in her eye and a wicked smile which made me want to bend her over right there and then, but I had requested she tae charge.

Undressed and told to lie on the bed where Jamie strapped me to the bed frame and proceeded to tease and suck me until I exploded in ecstasy.

Had a lovely chat and was soon into it again, there wasn't going to be a problem getting hard again, just looking at Jamie would do the trick even without her rubbing and sucking eagerly on my cock.

A bit of 69 then doggie and missionary to finish and we both came together.

A great experience and one I will repeat hopefully in the not too distant future.
