The Premises:

Discreet flat above a parade of shops. Nothing to look at from the outside, but functional and clean inside.

The Lady:

Cherry is a Filipino girl in her early 20s. Pretty face, long wavy dark hair. Nice curvy bum and hips and fabulously firm natural breasts.

The Story:

Started off with an excellent back massage, before turning over for a very nice covered blow job with Cherry kneeling by the edge of the bed. After this, she lay down on her back while I went down on her. Very nice, sweet pussy, medium-sized lips under a thin landing strip of hair. Where Cherry excels is that she moans, squirms and really pushes her pussy into your face. It's a great act, very convincing, and it carried on once I was inside her. Lots of moaning and groaning and a little dirty talk. Finished with her on all fours on the bed facing the mirror. More vocal encouragement and a nice view of her asshole and pussy as I entered her.

A great punt. She's polite, friendly, sexy and knows all the tricks.
