The Story:

For once the photos on the site didn't do justice for the total doll that Elizabeth turned out to be. Relaxing welcoming chat, but to be honest I was gagging for it so asked her to get her head down to the part of me that needed attention. Fantastic OWO action, but not over the top porn film stuff that the Eastern European girls seem to do, just good, raunchy girl next door stuff. I wish Elizabeth lived next door. Then covered up and missionary before I blew my load way too quickly. Another good chat while I recovered myself and with a bit of gentle teasing from Elizabeth I was ready again. Amazing long doggie session - I do like a good bum and I do think she has got the the best - so I just kept pounding away at it until I came to a very satisfying conclusion. Really nice girl, really amazing looks. Nothing complicated but without doubt the best punt I can remember.
